Piper: His other book, Nerds is totally way way better. I mean I am reading it.

Ella: Break it up. I will agree Sisters Grimm is way way better.

Piper: don't even go over to that book.

Ella: calm down.

Piper: Why did you answer my questions?

Ella: Oh I have to go.

Merrill: Well hello and welcome back.

Katie: Hi and hello. So you know that authors have to go through the whole editing process and the rejection from publishers. So when publishers reject him, he copes pretty well. He just remembers all his rejections from women.

Ella: Really. That's an original way to cope with rejection.

Merrill: Now here are some facts we know about Michael Buckley.

Ella: He writes about fairy tales.

Annie: Yeah that's all we know.

Annie: (whispers really that's all but loud enough for the camera)

Merrill: Don't we know a lot (says while putting up a thumbs up)

Piper: That's barely anything.

Ella: That's a wrap.
