

Quick Summary!

Jamie is a teenager who loves to write in her diary. Although she never knew it would become a BESTSELLER! Jamie gets to meet her favorite person ever, Amber Tiffany, and is now famous in her school. A lot has changed but does Jamie like it?

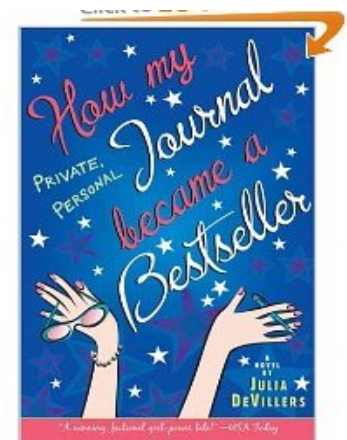

How Jamie and IS are different!

Jamie is a little different from IS because, Jamie in part of the book does not feel too good about herself. Until her friend Lindsey's dad tells Lindsey that she is fat. So Jamie helps her, but also helps herself. Now this reason is kind of obvious IS is just Jamie's imagination.

Characters of How My Private Personal Journal Became A Best Seller

By Julia Devillers

Jamie's Point of View About Being Famous

Jamie doesn't know if she likes being famous, but she does like that people love her book. And when she meets Amber Tiffany she feels so famous and happy!

ALL ABOUT WHO IS, IS

IS, is a made up character from Jamie's journal. IS has super powers to flick whoever was a villain. The worst villain was Myrna! :(, But when IS flicked Myrna she went right into detention. IS, is very pretty and she is also super confident in herself. No wonder she is a super hero!
